DECLARATION ON CALIFORNIA'S PROPOSITION 65

M&M Tool and Mold is committed to being a customer-focused business that provides superior products and services to all our clients. We strive to exceed the expectations of our customers by focusing on continuous improvement, on-time delivery, and long-term sustainability.

The leadership team at M&M Tool and Mold has reviewed the California Safe Drinking Water and Toxic Enforcement Act of 1986, also known as Proposition 65. To the best of our knowledge, our understanding is that our products are manufactured in compliance with the safe harbor NSRL and MADL limits of Proposition 65. This assessment is based on our current level of knowledge from all our material and component suppliers. M&M Tool and Mold makes no warranties, expressed or implied, and assumes no liability in connection with this information.

M&M Tool and Mold will continue to strive to meet the requirements of our customers. We take great pride in manufacturing socially responsible products and will continue to review the requirements of the California Safe Drinking Water and Toxic Enforcement Act of 1986 going forward.

The above statements apply only to products as supplied by M&M Tool and Mold and may not apply to M&M Tool and Mold products altered after sale.
